

Dear Community Member,

The Shrewsbury Farmers Market will open on June 19 and end on September 29. We are excited to bring local food to the area and support local farmers, and hopefully put the pandemic behind us.

We did not reach out to sponsors for the summer of 2020 because we didn't even know if we were going to be able to be open for every market. We really need our sponsors this year to offset our extra expenses for 2020. At this point we are not sure what types of fun activities we will be allowed, but we will make every effort, to have fun and stay healthy and safe.

The Shrewsbury Farmers Market is under the umbrella of WE CAN which is a 501(c) non-profit (EIN 81-0725966). WE CAN (Worcester County Environmental Community Agricultural Network, Inc.) was established in December 2015, as a way to expand and enhance the Shrewsbury Farmers Market. The goal of WE CAN is to share with the community in the form of grants and donations and to promote our mission of supporting projects and groups working toward more social and environmental responsibility.

As a sponsor you will be given opportunities to choose between having your name shared

In addition to the benefits outlined for each level we are committed to helping promote your business through our social media outlets. We are also open to in-kind donations for services and products that would be of benefit to the market and the value will be considered.

If you have questions; please don't hesitate to contact Melisa Hollenback @ 508.284.7314 or [melisahollenback@hotmail.com](mailto:melisahollenback@hotmail.com).

Thank you for your time and consideration,

Melisa Hollenback  
President, WE CAN  
Co-Manager, Shrewsbury Farmers Market
